Parking slot at airports

2342. SHRI TARIQ ANWAR: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether it is a fact that there is a shortage of space to park the private jets at the airports in Delhi and Mumbai;

(b) if so, the details thereof; and

(c) whether Government has any plan to develop more parking slots at these airports?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) Yes, Sir.

(b) At CSI Airport, private jets operate from old airport apron which is an area on the south of the main runway. A portion of this apron where some of these private jets are currently parked, do not comply with the Civil Aviation Regulations and ICAO standards. As a result, this portion of Apron has to be decommissioned thereby causing shortage of aircraft parking space for private jets.

(c) CSI Airport has, presently, no plans to develop more parking space for private jets due to land constraints. Facilities are soon to be expanded at Delhi airport.
